Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicants hereby notify the U.S. Patent Office of the document which is listed on the attached form PTO/SB/08B.

Submission of the listed document is not intended as an admission that such document constitutes prior art against the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove the listed documents as competent references against the present application.

The reference "Ko" was cited in the International Preliminary Report on Patentability ("IPRP") (copy enclosed) for related International Application No. PCT/EP2005/008969. International Application No. PCT/EP2005/008969 is concerned with a similar technology as in the instant application. International Application No. PCT/EP2005/008969 deals with the following:

...use of gene expression profiles obtained in vitro from patient samples for differentiating between the non-infectious and infectious causes of multiple organ failure. The invention also relates to a method for measuring gene expression profiles in vitro

and to the use of said gene expression profiles and/or of the probes used therein for screening active substances against the non-infectious and/or infections causes of multiple organ failure.

Applicant notes the remaining references cited in the IPRP have been previously cited in an Information Disclosure Statement for the present application.

Applicants respectfully request that the listed documents be considered by the Examiner and made of record in the present application and that an initialed copy of form PTO/SB/08B be returned in accordance with MPEP §609.

Certification

This Statement is being filed prior to the issuance of the first Office Action for the present application. Additionally, it is hereby certified that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. This paper is thus submitted in accordance with 37 CFR 1.97(b).

In view of the above certification, a fee is not required for consideration of this document. Nevertheless, should a fee be deemed to be due by the Commissioner, such fee should be charged to Deposit Account No. 50-0951.

Respectfully submitted,

Dated: 7/18/07
